DOMINO 2009 – Burma im Juni 2010

Der Bau des Ausbildungszentrums sollte dieses Jahr fertiggestellt werden können und wird 5 gleich grosse Räume enthalten. Darin werden die verschiedenen Programme und Kurse angeboten werden können. Ein starkes Zeichen für eine Jugend, der sonst kaum Ausbildungsmöglichkeiten zur Verfügung stehen.

Bereits Ende Juli sollte das Gebäude für die Vorschule fertig sein. Eltern und Kinder freuen sich bereits sehr darauf, dass der Betrieb Anfang August starten kann. Es wird dies ein wichtiger Meilenstein in der Dorfentwicklung sein.

Durch Gelder aus dem DOMINO 2002 konnten damals Reisfelder erworben werden. Die Ernten ermöglichen auch heute einerseits die Selbstversorgung in den beiden Kinderheimen und sorgen für eine zusätzliche Erwerbsquelle.
